(Please type or print: Last Name, First Name)

For the school to be effective with the student it is essential that a spirit of cooperation, trust and support exist between the school and the parent. It is for this reason that we ask the family to become familiar with the philosophy, policies and procedures developed and enforced by San Gabriel Mission High School.

It may sometimes happen that a family cannot be supportive of the school and its philosophy, policies and procedures. Should a manifest lack of agreement reach the point where the school judges that the necessary and appropriate relationship no longer exists, the family will be asked to withdraw the student from the school.

We have read the SGMHS Acceptable Use Policy for use of the school's Computer Network. We hereby release San Gabriel Mission High School, the Los Angeles Archdiocese, its personnel, and any institutions with which it is affiliated, from any and all claims and damages of any nature arising from our daughter's (or legal ward) use of, or inability to use the SGMHS Computer Network, including, but not limited to claims that may arise from the unauthorized use of the Network to purchase products or services.

We will instruct our daughter regarding any restrictions against accessing materials on the Internet set forth in the SGMHS Acceptable Use Policy. We will also advise and emphasize the importance of following rules for personal safety.
